SPEAKERS

This year's guest speakers were chosen and invited by the senior cadets who planned today's ceremony.

Few names capture a cadet's attention and inspiration like that of **Homer Hickam**. A 1964 graduate of the Corps of Cadets, Mr. Hickam is a Vietnam veteran, a best-selling author, a retired NASA engineer, and part of the trio of cadets who created the first Skipper, the famed Corps of Cadets' cannon.

Acting director for the Citizen-Leader Track, **Jason Oberoi**, a 2010 graduate of the Corps, understands the cadet experience and is a mentor to many of those graduating today. His door has always been open to cadets seeking advice or just a friendly face. An Army veteran, Mr. Oberoi is also "graduating" from the Corps' staff this spring to pursue a nursing career.
