

MARLOW WHITE

Helping our nation's best look their best, since 1879.

Virginia Tech Corps of Cadets Saber Order – Fall 2022

- Cadets can purchase sabers by visiting [Marlow White](#) to place orders online. Orders must be received by November 18, 2022
- Not placing the order by November 18th, will result in not having a saber for the March 2023 Ring Dance
- The factory will send the finished sabers to Marlow White. We will inspect each saber, add the appropriate accessories, and ship the items to the cadet addresses entered during the ordering checkout process
- Points of Contact: Service@MarlowWhite.com and Ryan (Ryan@MarlowWhite.com) are the Marlow White points of contact for all saber questions and orders. We can be reached at 800-255-6136.

- All sabers and swords are hand-crafted by WKC in Solingen, Germany. WKC is the oldest and most experienced ceremonial sword manufacturer in the world
- Available US ceremonial saber/sword styles: Army Standard, Army Premium, Navy Standard, Navy Premium, and Air Force. All styles include the custom Virginia Tech Corps of Cadets blade etch
- The VTCC custom blade design was developed specifically for the Corps of Cadets and includes images of iconic buildings and symbolic statues found throughout the Virginia Tech campus. The etch also includes the following personalized information:
 - Cadet name
 - Graduation year
 - Company

- Blade: Nickel-plated high-carbon steel
- Scabbard: Nickel-plated steel tube
- Blade lengths: 28", 29", 30", 31", 32", 33", and 34"
