

**MARLOW WHITE**

Helping our nation's best look their best, since 1879.

**Virginia Tech Corps of Cadets  
Saber Order – Fall 2016**

- Saber Representative shares ordering information with all interested cadets. Saber Representative serves as point of contact for coordinating key dates
- All cadets interested in purchasing sabers can contact Marlow White to place orders. Marlow White must have all orders by December 20, 2016
- Saber manufacturing may take up to 90 days with the factory closing for the Christmas holiday. Not getting the orders to Marlow White by 12/20 runs the risk of production delays
- Once completed, the manufacturer will send the sabers to Marlow White. We verify each saber, add the appropriate accessories, and ship everything to the cadets to be received before March 20<sup>th</sup> Ring Dance date.
- Points of Contact: Elizabeth ([E.Bromell@MarlowWhite.com](mailto:E.Bromell@MarlowWhite.com)) and Alan ([Alan@MarlowWhite.com](mailto:Alan@MarlowWhite.com)) are the Marlow White points of contact for all saber questions and orders. We can be reached at 800-255-6136.

- All sabers and swords are hand-crafted by WKC in Solingen, Germany. WKC is the oldest and most experienced ceremonial sword manufacturer in the world
- Available ceremonial saber styles: US Army, Army Premium, Navy Standard, Navy Premium, and Air Force. All styles include the custom Virginia Tech Corps of Cadets blade etch
