

**MARLOW WHITE**

Helping our nation's best look their best, since 1879.

**Virginia Tech Corps of Cadets  
Saber Order – Fall 2019**

- Cadets can purchase sabers by visiting [Marlow White](#) to place orders online. Orders must be received by December 20, 2019
- Saber manufacturing may take up to 90 days. Not placing the order by December 20<sup>th</sup> risks the possibility of not having a saber for the March 27<sup>th</sup> Ring Dance
- The factory will send the finished sabers to Marlow White. We will inspect each saber, add the appropriate accessories, and ship the items to the cadet addresses entered during the ordering process
- Points of Contact: Hannah ([Hannah@MarlowWhite.com](mailto:Hannah@MarlowWhite.com)) and Alan ([Alan@MarlowWhite.com](mailto:Alan@MarlowWhite.com)) are the Marlow White points of contact for all saber questions and orders. They can be reached at 800-255-6136

- All sabers and swords are hand-crafted by WKC in Solingen, Germany. WKC is the oldest and most experienced ceremonial sword manufacturer in the world
- Available US ceremonial saber styles: Army, Army Premium, Navy, Navy Premium, and Air Force. All styles include the custom Virginia Tech Corps of Cadets blade etch
- The VTCC custom blade design was developed specifically for the Corps of Cadets and includes images of iconic buildings and symbolic statues found throughout the Virginia Tech campus. The etch also includes the following personalized information:
  - Cadet name
  - Graduation year
  - Company

- Blade: Nickel-plated high-carbon steel
- Scabbard: Nickel-plated steel tube
- Blade lengths: 28", 29", 30", 31", 32", 33", and 34"
